ROHIT KUNDU

B.Tech Computer Science & Engineering | 3rd Year

India | your.email@example.com | +91-XXXXXXXXXX | LinkedIn: linkedin.com/in/rohit-kundu | GitHub: github.com/rohit-kundu

CAREER OBJECTIVE

Motivated third-year B.Tech Computer Science & Engineering student with an interest in software development, artificial intelligence, and full-stack web applications. Seeking an internship or entry-level opportunity to apply programming and problem-solving skills to real-world software projects.

EDUCATION

B.Tech – Computer Science & Engineering | 3rd Year
College/University: Your College Name | Expected Graduation: 2027

TECHNICAL SKILLS

Programming: Java, JavaScript, HTML, CSS
Frameworks/Runtime: React, Vite, Node.js, Express.js
AI & Tools: Gemini, Git, GitHub, VS Code
Concepts: OOP, Data Structures & Algorithms, REST APIs, Responsive Web Development
Database: Basic SQL / Your Database

PROJECTS

AI Interview Preparation Agent — Built a resume-aware interview practice application using Gemini to conduct structured mock interviews, generate follow-up questions, and evaluate interview performance. Designed a React/Vite frontend with a Node/Express backend.

Cutly – AI Short-Video Creation Workspace — Developed a React/Vite dashboard concept for AI-assisted short-video creation with project management, generation workflows, and a responsive dark editorial UI.

Student Management System — Developed a Java-based academic management project demonstrating OOP concepts including inheritance, method overriding, abstraction, and dynamic binding.

CORE COMPUTER SCIENCE KNOWLEDGE

- Object-Oriented Programming: inheritance, abstraction, encapsulation, polymorphism, and dynamic binding.
- Programming fundamentals, debugging, exception handling, and modular code structure.
- Web development fundamentals with responsive UI design and client-server architecture.

STRENGTHS

- Problem solving and willingness to learn new technologies
- Hands-on project development and debugging
- Team collaboration and clear communication
- Interest in AI-powered software development

CERTIFICATIONS / ACHIEVEMENTS

- Add relevant certifications, coding profiles, hackathons, workshops, or academic achievements here.

ADDITIONAL INFORMATION

- Languages: English, Hindi, Bengali
- Availability: Open to software development / AI internships
